

# READY FOR TOMORROW...

*So I sought for a man among them  
who would make a wall, and stand in the gap  
before Me on behalf of the land, that I should  
not destroy it; but I found no one...*

Ezekiel 22:30

## ICCC LEADERS GATHERING 2019

**December 5-6, Israel**

## **INVITATION TO ALL ICCC LEADERS**

As a leader in ICCC we invite You to join the ICCC Leaders Gathering in Israel this year - the 5th to 6th of December – right after the Arise Summit 2019, which we very much recommend (*expect*) you to participate in as well, see information in this invitation.

The leaders gathering will be important days together for us all, seeking God's heart and purposes, discerning the strategic agenda for ICCC.

### **Malachi 3:16-18**

***Then they that feared the LORD spoke often one to another: and the LORD hearkened, and heard it, and a book of remembrance was written before him for them that feared the LORD, and that thought upon his name.***

*And they shall be mine, saith the LORD of hosts, in that day when I make up my jewels; and I will spare them, as a man spares his own son that serves him.*

***Then shall ye return, and discern between the righteous and the wicked, between him that serves God and him that serves him not.***

With the background of this scripture, we will have time for strategic sharing and fellowship among leaders, to seek wisdom and understanding for the opportunities and challenges that we face in the next season of ICCC. *See next page for a full framework agenda that will be discussed during these days.*

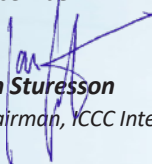

We have all experienced how there is an increase of societal challenges linked to the future of **Technology, Values and Israel**. These are all circumstances in our walk with the Lord and we need to describe and communicate God's YES; a great message to the world. This even if persecution arises. At the same time the glory is rising and the expressions of our calling becoming even more important and relevant.

We therefore believe it will be crucial for us as ICCC Leaders to come together to sharpen each other, bringing clarity and understanding for the strategy ahead. So, this is therefore a **ROLE CALL** to all our leaders to be alert and make sure we all **COME TOGETHER** and **STAND TOGETHER** for this and next season.

As many nations do have a national layer of leaders that is not formally on the national board, we would extend this invitation to also include those leaders and would therefore ask that you as national board members would make sure they also receive this invitation. **YOU know whom to invite – just do it!**

This gathering is not about position but function and relations - now is the time for all our leaders to come together.

We in the ICCC International Board are looking forward to meeting you in Israel in December.

**Jan Sturesson**  
Chairman, ICCC International Board
